Business Value**

SSP is a Samaritan. That is the way our customers know us. Our vision and mission is to Nurture this spirit of service and endow with the best products to our customers by providing the customised solution with regards to Hygiene products or Packing so that our customers expectation of Quality, Safety and Value consistency are met thereby ensuring their ample fidelity. SSP is a vivacious service provider and has dedicated and committed to provide the tailor made products to various sectors like Hospitals, Resorts and Hospitality sector, Institutional Sector etc., by providing the best Qualitative products and continue to anticipate Customer requirement extensively to deliver the consistent Quality Products at affordable prices. The Company has outgrown the hard way and learnt that customer's satisfaction and Service is ultimately what matters to be Successful. This is a First Generation Woman Entrepreneurship company and the CMD is well trained technically by M/s. MSME, Bangalore, a Central Govt. Training body for the upcoming entrepreneurs.

We have embarked on satisfaction and also diversification of the products. We are in the manufacturing sector since 2 decades (since 2005) wherein our line of products were regular hygiene products which were common for both Industrial and Domestic requirements. With a motive to have a diversified sector, in 2016 we have set up a manufacturing unit of corrugated boxes and carton boxes where in we cater to the requirements of various industries. Further more, we are providing tailored made hygiene products by thoroughly understanding and analyzing the requirements/problems of the customers wherein we have made fullest efforts to resolve the cleaning issues that are untouched and un-resolved for a long time.

We are proud to say that we have become the choice of professionals through our commitment to provide the time bound and right product for every task at affordable prices which has kept us in business over the years. What more to say about a company which has grown the hard way and learnt that customer satisfaction and Service is ultimately what matters to be successful. 'SSP' not only design but create the customized hygiene products, corrugated boxes and carton boxes according to the need of the customer. Our products are manufactured under the strictest standards of quality and with regards to process ISO 9001-2015 Certification is one of such Milestone. "We deliver a customised range to product support which offers a great value to our customers by providing excellent performance economically.

The head office is situated at magadi road, bangalore having its manufacturing unit at magadi KSSIDC Indl. Area with experienced personnel. All of these aimed at the goal of delivering the highest standards of quality products & services to our customers.
